1. Before the Game

- Enter basic game information on the Setup screen
- Set the starters for both rosters
- Select which team is serving and begin entering plays.

2. Between Each Set

- To begin the next set, click on Game Ctrl. If you want to print box scores/play-by-plays before the next set, click Wrap Up. If not, you can just start the next set from the Game Ctrl menu by clicking Start Next Set. If you'd like to reset the players on the court for the next period, do that here as well.

3. Ending a Game

- To finalize a Game, click Game Ctrl then click Wrap Up
- Confirm the score of the game. If the score is wrong, you can edit scoring plays.
- From this menu, you also have the option to print box scores and play by play reports.
- Click Complete Game Information to update records, attendance, end time, and duration to finalize the game

4. Offline Mode

When using the app for the first time, your browser will give a message similar to this:

"This website (www.prestosports.com) is asking to store data in your browser for offline use."

You must click "Allow" on this message or else offline mode will not work.

Note: To use PrestoSports Stats Entry in offline mode, you need to first load the game to the app while you still have internet access.
