

## 1. Before the Game

- Enter basic game information on the Setup screen
- Set the starters for both rosters
- Choose the starting goaltenders for each team
- Click "Add Play" to navigate to stats entry screen and start clock to begin

## 2. Between Each Period

- At the end of the period, click on Game Ctrl and then click on End Period.
- If you want to do things before you start the next period such as reset the players on the field or print box scores/play-by-plays, you can do that in the wrap-up screen. If not, you can start the next period from the Game Ctrl menu.

## 3. Ending a Game

- To finalize a Game, click Game Ctrl then click Wrap Up
- Confirm the score of the game. If the score is wrong, you can edit scoring plays.
- From this menu, you also have the option to print box scores and play by play reports.
- Add attendance, game duration and more in the Setup screen.
- Update the goalie records for each team's goalie.
- Finally, update the team records. (This step will mark this game as "Final" in the PrestoSports Network).

## 4. Offline Mode

When using the app for the first time, your browser will give a message similar to this:

**"This website (www.prestosports.com) is asking to store data in your browser for offline use."**

**You must click "Allow" on this message or else offline mode will not work.**

Note: To use PrestoSports Stats Entry in offline mode, you need to first load the game to the app while you still have internet access.
